## RATES OF POSTAGE AND CONDITIONS OF TRANSMISSION.

### *Inland Letters.\**

The rates of postage to be prepaid are as follows,† viz. :—

For a letter not exceeding 1 oz.	1d
„ exceeding 1 oz. but not exceeding 2 oz.	1½d
„ „ 2 oz. „ „ 4 oz.	2d
„ „ 4 oz. „ „ 6 oz.	2½d
„ „ 6 oz. „ „ 8 oz.	3d
„ „ 8 oz. „ „ 10 oz.	3½d
„ „ 10 oz. „ „ 12 oz.	4d

A letter exceeding the weight of 12 oz. is liable to a postage of 1d for every ounce, beginning with the first ounce. A letter, for example, weighing between 14 and 15 ounces must be prepaid fifteen-pence.

A letter posted unpaid is chargeable on delivery with double postage, and a letter posted insufficiently prepaid is charged with double the deficiency. On re-directed letters the charge for re-direction is the same whether prepaid or collected on delivery.

No letter may exceed the dimensions of one foot six inches in length, nine inches in width, and six inches in depth.

### *Addresses to the Queen and Petitions to Parliament.*

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a Member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the sides. No letter, or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

## NEWSPAPERS.

### *(I.) Inland.*

By the “Post Office Act, 1870,” the use of the Inland Revenue impressed stamp denoting the stamp duty, under which Newspapers and other periodicals had been previously transmissible by post within the United Kingdom, was abolished and a postage of one half-penny was fixed for each transmission of any Newspaper coming within the definition laid down in the Act.

Inland Newspapers are subject to the following regulations :—

- 1st. To have the privilege of passing as a Newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a Register at the

---

\* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkneys, Shetland, Scilly, and Channel Islands.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

General Post Office ;\* from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper.

Registration for inland circulation includes registration for transmission abroad.

- 2d. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.
- 3d. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and date of publication at the top of every subsequent page ; and this regulation applies to "Tables of Contents" and "Indices."
- 4th. A supplement must be unstitched, must in every case be published with the Newspaper, and must have the title and the date of publication of the Newspaper printed at the top of every page ; or, if it consists of engravings, prints, or lithographs, at the top of sheet or side.
- 5th. For each Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny ; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one half-penny for every 2 oz. or fraction of 2 oz.
- 6th. A Newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
- 7th. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
- 8th. No Newspaper can be sent through the post a second time for the original postage. For each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
- 9th. Every Newspaper, or packet of Newspapers, must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.
- 10th. Every Newspaper must be so folded as to admit of the title being readily inspected.
- 11th. A Newspaper, whether posted singly or in a packet, which contains any enclosures except the supplement or supplements belonging to it, will be charged as a letter ; unless the enclosure be such as might be sent at the Book Rate of Postage and the entire packet be sufficiently prepaid as a book packet, in which case it may be allowed to pass.
- 12th. A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.
- 13th. No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed two feet in length or one foot in width or depth.

---

\* The conditions of admission to the Register may be ascertained on application to the Secretary of the Post Office.

## III.—POSTAGE STAMPS.

Every Head Postmaster is required to keep, for sale to the public, a sufficient stock of Halfpenny Post Cards, of the various postage labels in use, and of envelopes with the penny stamp embossed. The labels are of the respective values of  $\frac{1}{2}$ d, 1d,  $1\frac{1}{2}$ d, 2d, 3d, 4d, 6d, 9d, 10d, 2s, and 5s. Also Telegraph Stamps at 1d, 3d, 4d, 6d, 1s, 3s, 5s, £1 and £5, and Books containing 20 Stamped Forms at £1 2d. Sub-Postmasters are required to keep halfpenny and penny labels, and half-penny Post Cards only; but they can procure any stamps of other values, or embossed envelope which may be required. The envelopes are made of four sizes, viz.,  $4\frac{3}{4}$  ins. by 3  $11\frac{1}{2}$  ins. (square shape),  $5\frac{1}{4}$  ins. by  $3\frac{3}{8}$  ins.,  $5\frac{1}{4}$  ins. by 3 ins., and  $4\frac{3}{4}$  ins. by  $2\frac{3}{4}$  ins. The square shape is sold at the following prices:—£1 2s 6d per 240, 1 for  $1\frac{1}{4}$ d, 3 for  $3\frac{1}{4}$ d, 4 for  $4\frac{1}{2}$ d, and 24 for 2s 3d. Other sizes at 2s 2d per packet of 24.

Stamped Newspaper Wrappers, bearing an impressed halfpenny stamp, are not sold in smaller numbers than 12, or multiples of 12. The two smaller sized wrappers are discontinued, the issue being limited to the larger sized wrappers of the dimensions 12 ins. by 5 ins. The price for 12 wrappers is  $6\frac{1}{2}$ d; 480 for £1 1s 8d.

## PARLIAMENTARY PROCEEDINGS.

Printed Votes or Proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of one halfpenny for 2 oz. or fraction of that weight.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet, otherwise it will be treated as an ordinary Book Packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only will be charged.

Parliamentary proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a book post.

BOOK POST.—(1.) *Inland.*

A Book-Packet may contain not only books, paper, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter or communication of the nature of a letter), Photographs, when not on glass or in frames containing glass or any like substance, and anything usually appertaining to such articles in the way of binding and mounting necessary for their safe transmission by post, but also *Circulars*,—i.e., letters which appear from internal evidence to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved or lithographed.

- 1st. The postage is one halfpenny for every two ozs. or fraction of that weight.
- 2d. The postage must be prepaid either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two; except at the Chief and District Post Offices and the Branch

Offices at Lombard Street and Charing Cross in London, and the Chief Offices in Edinburgh and in Dublin, where, from 10 a.m. till 4 p.m., it may be prepaid in money, provided the postage amount to not less than £1 in any one case, and provided the packets are posted, in bundles, each representing a postage of 5s.

- 3d. A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.
- 4th. Every book-packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination,\* otherwise it will be treated as a letter.
- 5th. A book-packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter or not wholly printed, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed by section 9. (Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.) If this rule be infringed the entire packet will be charged as a letter.†
- 6th. No book packet may exceed 5 lbs. in weight, or one foot six inches in length, nine inches in width, and six inches in depth.

Post Cards, which bear a halfpenny impressed stamp, are available for transmission between places in the United Kingdom only.

- 1st The front or stamped side is intended for the address only. There must be nothing else written, printed or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed; but such communication must not extend to the front side. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d on delivery.
- 2d No Card other than one of those issued by the Government will pass under a half-penny stamp, if it bear on it a written communication of the nature of a letter.

### *General Regulations.*

When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets and post cards may be kept back until the next despatch or delivery.

---

\* In order to secure the return of book packets which cannot be delivered, the name and addresses of the senders should be printed or written outside thus, "From —, of —."

† It is the duty of the Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book-packets posted at, or passing through their offices.

It is forbidden to forward by post any indecent or obscene print, paintings, photographs, lithograph, engraving, book or card or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any other words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Any thing posted contrary to this prohibition will be stopped and sent to the Returned Letter Office.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are examples of the articles referred to :—

A glass bottle, or glass in any form ; razors, scissors, needles, knives, forks, or other sharp instruments ; leeches, game, fish, meat, fruit, or vegetables ; bladders, or other vessels containing liquids ; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion.

### INDIAN PARCEL POST.

1. Persons wishing to send Parcels to any part of British India, can do so through the Indian Parcel Post Agency established under authority of the Director-General of the Post Office of India—at 122, Leadenhall Street, E.C., and (Branch Office) at 25, Cockspur Street, S.W.

2. The Charge for Parcels is 1s per lb. or fraction of a lb. (prepayment optional), covering transit from London to destination in India. Insurance may be effected, if desired, at the rate (to be prepaid) of 1s up to £3 value, 2s 6d up to £10 value, and 5s up to £20 value. Indian Customs duty (if chargeable) will be realised from the addressee.

3. The maximum weight, size, and value of a parcel are :—weight 50 lbs., size 2 feet long by 1 foot broad and 1 foot deep, value £20.

4. The following are forbidden contents :—Jewellery, watches, precious stones, liquids, or articles of a dangerous or damaging nature.

5. Mode of packing and address :—Parcels must be entirely closed and securely packed and fastened ; a covering of cloth or waterproof sewn at the edges being recommended. The Indian address should be legibly written, with the superscription, "By Indian Parcel Post."

6. A letter of advice, stating name and address on parcel, contents and value for Custom House clearance, with legible signature and address of sender, should be sent to the office (see Clause 1), with each parcel, accompanied by payment, if it be desired to prepay or insure the parcel.

7. A receipt will be given (by the Company) for each parcel received from the country, and for other parcels, if required.

8. Parcels from the country (including all those not booked by the sender or their messengers or agents in person at the London Offices) may be forwarded to the Office in London (see address below) by railway, or any other means available ; but the parcel with the Indian

address, as in Clause 5, should in such case be enclosed in an outer covering, bearing the address, "Indian Parcel Post Agency, 122, Leadenhall Street, London, E.C." The charges for carriage to the above address are additional to charges for transit or insurance under Clause 2, and may be prepaid to the local carrying agent, or left to be paid on delivery in London, and subsequently collected from the addressee. The letter of advice (see Clause 6), with any payment desired for transit or insurance (payment by post should be by cheque or money order, payable to A. M. Bethune), should be sent to the same address by letter post, and the receipts will in such case be forwarded by post.

### MONEY ORDERS.

The Public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time and afford greater security, than verbal messages, against mistakes. These Forms are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is :—

One or two shipowners have refused to give a list of their ships this year.

The first of these is the fact that the  
 number of cases of smallpox has  
 increased in the last few years.  
 This is due to the fact that the  
 disease is more common in the  
 tropics than in the temperate  
 zones. It is also more common  
 in the lower than in the upper  
 classes of society. This is due to  
 the fact that the lower classes  
 are more exposed to the disease  
 than the upper classes.

The second fact is that the  
 disease is more common in the  
 tropics than in the temperate  
 zones. This is due to the fact  
 that the climate is more  
 favorable to the disease in the  
 tropics than in the temperate  
 zones. The third fact is that  
 the disease is more common in  
 the lower than in the upper  
 classes of society. This is due  
 to the fact that the lower  
 classes are more exposed to the  
 disease than the upper classes.  
 The fourth fact is that the  
 disease is more common in the  
 tropics than in the temperate  
 zones. This is due to the fact  
 that the climate is more  
 favorable to the disease in the  
 tropics than in the temperate  
 zones. The fifth fact is that  
 the disease is more common in  
 the lower than in the upper  
 classes of society. This is due  
 to the fact that the lower  
 classes are more exposed to the  
 disease than the upper classes.  
 The sixth fact is that the  
 disease is more common in the  
 tropics than in the temperate  
 zones. This is due to the fact  
 that the climate is more  
 favorable to the disease in the  
 tropics than in the temperate

The Directors of the SCOTTISH IMPERIAL INSURANCE COMPANY, considering it their first duty to provide for the utmost safety of the Policy-holders, have, by means of the combination of Fire and Life Business under one management, been enabled to reduce the total expenses (including Commission) in the Life Department to a rate at which few offices are able to conduct the Business. The natural result must be to increase the surplus profits to an unusual extent; and while this feature affords the best guarantee of permanent security to all assurers, it is a special advantage to holders of "with-profit" policies who receive nine-tenths of the Profits, both on the participation and non-participation schemes.
